## Stevens Lake Outfitters Rules

Please read and sign that you understand and will abide by the rules set up by Stevens Lake Outfitters.

- No alcohol or Tobacco Products in the hunting areas.
- No Smoking in the cabin or locker room.
- Please carry your signed deer permit, hunting license and Habitat stamp with you at all times.
- Our stands are pre-scouted and hung. Please stay in the stand that is discussed with your guide. They are chosen by deer activity, wind, etc.
- All hunters must wear a safety harness while hunting.
- Remember to tag your deer before gutting, taking pictures or transporting.
- We appreciate those hunters willing to harvest Doe and help improve the quality of the herd.
- Guns must be unloaded and cased while traveling.
- Bows must be cased or locked while traveling.
- Please take everything off the property that you took on it, that includes food items and litter.
- Daily showers with scent-free soap and scent elimination products are highly recommended.

Deer Harvest: Bucks must be at least 130 lbs. gross score. There is no trophy fee, however, any buck not meeting the minimum score will result in \$250.00 fine. Any buck harvested on last afternoon hunt not meeting minimum requirement will result in a \$500.00 fine.

Location and Recovery: After shooting a deer, remain in your stand and observe the location or direction the deer travels or beds down. **Do not pursue the animal.** Contact your guide by phone. He will decide how soon to begin tracking and procedure to be used. Any wounded will be given ample search time (to be determined by your guide). If the deer is not recovered, there will be a \$500.00 fee to continue hunting.
